

Louis-philippe-style Chest Of Drawers / Weekly Cabinet In Cherry Wood--7 Drawers--circa 1840-1860

500 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 90

Height : 115

Depth : 50

Description

linen chest, also called a "weekly chest" when it has 7 drawers for the 7 days of the week. A tall, narrow piece of furniture, typical of the 19th century, designed to store linens in a bedroom. Very practical today for small spaces
