Description

Art Deco-style mirror made of wrought iron, hand-crafted and patinated, dating from the postwar period, the 1940s and 1950s. A very interesting design, entirely in the spirit of Gilbert Poillerat's work, combining a reimagined classic style with innovation. The frame is in excellent overall condition, featuring its original patina, and the mirror is period-correct. This one-of-a-kind piece offers a beautiful decorative effect and a very pleasant, original presence. Exquisitely crafted by hand and a good size for a central panel. Total height: 68 cm. Shipping available within France and worldwide via secure, insured package with order tracking. Invoice and certificate provided. Pickup is available on-site at the Mas d'Avalrich in Montéscot, 66200 (tel. 0611142533), where you
