Description

A magnificent, large print by Paul César Helleu--a colored drypoint or etching depicting an elegant woman wearing a feathered hat, dating from around 1895-1900 and signed in pencil by the artist within the plate mark. Dimensions: 33.5 x 55 cm (plate mark), 38 x 60 cm (visible image), and 60 x 82 cm (including frame). In very good condition; supplied in its period--and likely original--gilded frame. Authenticity guaranteed. This is a beautiful engraving by Paul César Helleu portraying a young, elegant woman--a Parisian from around 1900--adorned with a lovely feathered hat. As always with his work, the execution is exquisitely refined--hardly surprising, given that he was one of the finest French printmakers of the 1880-1910 period. I have not found this specific engraving in auction
