LE PLUS BEAU CATALOGUE D'ANTIQUITES

9-light Cage Chandelier

500 EUR

Period : 19th century

Condition : Très bon état

Diameter : 46

Height : 70

Description

Lighting: 9 clearly distinct lights in your photo: 6 in an outer ring + 3 in the center arranged in a cluster. This is the large light fixture model. E14 sockets, faux candles made of cast wax. Tested and in working order. Structure: Brass/wrought iron cage with a gold-bronze patina. 6 curved arms with leaf-shaped cups. Central stem made of molded glass. Suspension wire. Crystalwork: Very opulent! Cut crystal pendants: large faceted light amethyst (pale purple) teardrops at the top and bottom, scalloped palmettes, teardrop shapes, dagger-shaped pendants, and faceted spheres. Daisy-shaped rosettes in crystal.
