This Limoges porcelain tabletop planter or flowerpot features a rare shape and design. Rectangular in shape, it has two handles on the sides. The decoration is hand-painted with a charming naturalistic wisteria motif, entirely in the Art Nouveau style. A "CF" mark is stamped into the clay. Most likely from Limoges, circa 1895-1900. Shipping: 18 euros within France, 35 euros within the EU, and 150 euros to the rest of the world.
