Description

Elegant ceramic table lamp designed by Raphaël Giarrusso. A Canadian-Italian ceramic artist, renowned for his work at Poteries d'Accolay. The base features a slender baluster shape coated in a textured glaze with mineral-toned shades of gray, beige, and white. The base is adorned with an openwork geometric frieze inlaid with ruby-red enamel cabochons, punctuated by small touches of blue-green, while a second decorative band encircles the lamp's neck. When lit, the light shines through the openings, revealing the brilliance of the colorful enamels. The lamp is topped with a cylindrical shade made of woven natural fiber. Shade dimensions: 39.5 cm high by 30 cm in diameter. Base dimensions: 36.5 cm high by 20.5 cm in diameter. In perfect condition.
