Description

Oil on hardboard, signed "H. Autran" in the lower right corner, depicting a couple embracing as they stroll down a street in a Provençal village. This composition is characteristic of Henri Autran's style: broad swaths of color, bold black outlines, a deliberately simplified perspective, and an atmosphere imbued with poetry. Here, the painter conveys a moment of calm and intimacy with great sensitivity. The figures, seen from behind, invite the viewer to form their own interpretation, ranging from tenderness and nostalgia to a sense of the passing of time. A decorative and expressive work, typical of Provençal painting from the second half of the 20th century.
