Description

Watercolor with pencil highlights on paper, signed lower left, depicting a hunting dog walking through the grass. The artist accurately captures the animal's musculature, bone structure, and proportions. The modeling is achieved through a subtle layering of washes and pencil strokes, while the tricolor coat is rendered in warm shades of brown, black, and white. Signed and dated C. Farvacques, 07-00. The work is presented in a high-quality modern frame with a wide mat and a wood-veneer frame, which showcases it particularly well. Catherine Farvacques (born in 1963), a French artist trained at the École des Arts Décoratifs and the École du Louvre, is known for her depictions of horses, hunting dogs, and the art of hunting with hounds. Her work combines a solid mastery of drawing
