Description

A charming English-made coal bucket, circa 1900. Made of weathered wood, it features a few embossed brass decorations on the hinges, as well as a floral motif carved on the lid. Lightweight and easy to carry thanks to its large handle, this coal bucket can easily be repurposed as a small storage unit and will fit right in anywhere. In good household condition, with a few minor signs of use and wear. Shipping costs to mainland France: 35 euros; for other destinations, please contact us.
