

French School, Circa 1970 : "surrealist Composition"

650 EUR

Period : 20th century

Condition : En l'etat

Description

FrenchSchool, circa 1970 : "Surrealist Composition," oil on canvas mounted on a stretcher, 61 x 50 cm, but originally 65 x54 cm (15 F) and which, during restoration, can be returned to this size by re-stretching. Scratches, touch-ups, and soiling. An inscription has been concealed on the stretcher, which can be partially deciphered under a Wood's lamp, but it is unlikely to refer to the artist since it is not original... In a dreamlike atmosphere, a man appears to be driving a log into the mouth of a monster whose body is composed of Gothic arches... Please feel free to ask us for photos or additional information via email or phone. More photos and many other items are available in our Pau store and on our Proantic website.
