19 500 EUR

Period : 20th century

Condition : Très bon état

Diameter : 120 cm

Height : 130 cm

### Description

A twelve-light Murano glass chandelier, characterized by a linear and clean-lined Art Deco design. Crafted from straw-colored glass, it features elegant accents of aquamarine-blue glass filaments that highlight the structure and accentuate its decorative rhythm. The twelve arms consist of a small plate and a cup, following a simple, geometric design. Metal parts have been refurbished; electrical components have been rewired. Glass parts in excellent condition  
Handcrafted Murano glass Light fixtures: 12  
Period: 20th century - Mid-century
