

9-light Murano Glass Chandelier In Amber-colored Pulegoso Glass, Ca. 1950.

2 900 EUR

Period : 20th century

Condition : Très bon état

Diameter : 80 cm

Height : 80 cm

Description

A nine-light chandelier made of Pulegoso amber Murano glass, featuring an elegant, sinuous structure with wave-shaped arms. The slightly irregular, milky surface of the Pulegoso glass, combined with the warm amber hue, gives the piece a refined textural and luminous effect. Metal parts refurbished, electrical components rewired. Glass parts in excellent condition
Handcrafted Murano glass
Color: Pulegoso amber
Lights: 9
Period: 20th century - Mid-Century
