Description

Coastal Landscape with a Sailing Ship -
Watercolor on paper, 19th century
A refined watercolor on paper depicting an evocative seascape in the Romantic style, dating from the second half of the 19th century. The composition features an elegant sailing ship at anchor in a tranquil bay, brought to life by fishermen going about their daily activities and figures conversing on the cliffs, while ancient coastal ruins can be glimpsed in the background. The work stands out for its delicate color palette, featuring shades of blue, green, and ochre, and for its luminous and serene atmosphere, which evokes the 19th-century European landscape painting tradition. The precise brushwork and attention to detail make the scene particularly pleasing and decorative. The watercolor is enhanced by a
