Workbench - Restored Antique Butcher's Counter

740 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Solid wood

Description

Craft Console Table - Restored Vintage Butcher's Counter An authentic piece of craft furniture, this vintage butcher's counter has been transformed into a stunning decorative console table while retaining its original spirit and character. Its thick solid wood top, marked by decades of use, features an exceptional patina where every crack, every knot, and every sign of wear tells the story of this workpiece. To preserve its authenticity while making it perfectly suitable for everyday use, the top underwent a comprehensive wood-preserving treatment, then was protected with a matte food-safe varnish that respects its natural appearance. The base, carefully restored, retains its original antique paint, delicately weathered by time, offering that incomparable charm sought after today by lovers of authentic

furniture. Its elegant, scroll-cut crossbar visually lightens the overall look and adds a touch of refinement to this utilitarian piece. Now repurposed as a console table, it will naturally find its place in an entryway, kitchen, living room, or boutique. Its aesthetic complements a chic country interior, a shabby chic decor, as well as a contemporary setting where artisanal furniture brings warmth and personality. More than just a piece of furniture, it is a truly unique piece with character, whose beauty lies in its history and authenticity. Period: late 19th - early 20th century Origin: France Materials: solid wood Condition: very good condition. The tabletop has been treated against wood-boring insects and protected with food-safe varnish. The base has been restored to preserve its original patina. A rare and decorative piece, ideal for lovers of artisanal furniture and interiors with timeless charm.
