Description

Stunning 19th-Century Oil on Canvas Still Life with a Basket of Apples, Signed E. Van Hove, 76 cm x 66 cm

Magnificent 19th-century oil on canvas depicting an elegant still life of apples spilling out of a wicker basket. A masterful handling of light, with a remarkable interplay of light and shadow that highlights the fruit's texture, sheen, and natural hues. A dynamic and realistic composition: a very fine rendering of textures--the wicker of the basket, the skin of the apples, and the grain of the wooden table. Signed at the bottom by the artist E. Van
