Description

A very beautiful painting featuring exquisite brushwork and a generous application of paint. Dated 1925, including the frame. Oil on canvas with a protective dust-proof glass cover. Depicts a pianist playing the piano in a living room. Likely the work of a master painter, given the painting's finished quality. In very good condition! Much more beautiful in person than in photos (which are very difficult to take due to the reflection on the glass). Dimensions: 43x35 cm and 35x26 cm; visually very appealing!
