

Miniature Galleon And Harbor Scene In A Gilded Wooden Frame

1 700 EUR

Period : 18th century

Condition : Etat d'usage

Diameter : 11,1 cm

Depth : 1,2 cm

Description

This high-quality miniature in the style of Quentin de La Tour dates from the 18th century; it depicts a galleon and the entrance to a harbor--likely identifiable--with figures in period costume and sailors on the left. Note the beautiful technique used in the clouds, the lighting, and the colors. The gilded wooden frame is original; it shows signs of wear, with some areas where the gilding is missing and traces of wear. As for the miniature, it has remained in good condition, though there is a stain in the upper right corner. Our numerous photos allow you to appreciate the quality of the item. For details on its condition, please examine the photos closely. Feel free to zoom in. The photos are an integral part of the description. Dimensions :-
