high-quality textile re-editions. The Cluny pattern perfectly embodies the revival of the "Country Chic" and "Château Style" aesthetics popular during the 1980s. Very good overall condition. Please note a slight and natural variance in color tone between the two pieces (the curtain is subtly lighter than the unused fabric length), due solely to the laundering of the ready-made curtain. Both textiles are free from tears, mechanical wear, or damp stains, preserving the perfect integrity of the fibers.
