Description

Jean-Frédéric CANEPA (1894-1981) A charming oil painting on wood panel depicting a generous bouquet of peonies (or heirloom roses) in a terracotta or ceramic vase, signed in the lower right corner by the Marseille-based artist Jean-Frédéric Canepa. The work stands out for its vigorous yet sensitive Post-Impressionist style: the painter uses the natural grain of the wood as a background to lend warmth and depth to the composition. The pink and mauve tones of the flowers contrast beautifully with the moss-green background, creating a soft and elegant atmosphere. Dimensions:- 57x49 (with frame)- 46x38 (without frame)
