Period : 20th century

Condition : Bon état

Description

Arthur Beatty (20th century) : "La flamenca," gouache on brown paper, 49 × 33cm, mounted on a mat, 59 × 44 cm. Minor, barely visible damage in the lower right corner; stitched mat. The expressionist power of this flamenco dancer seen in a three-quarter view, further enhanced by a dazzling color palette, makes this work extremely captivating. There is an African-American artist named Arthur Beatty who lived in France and painted jazz musicians; it is likely that this work is by him.
