

18th-century Louis XVI Double Cabinet With Writing Desk And Bookcase

1 950 EUR

Period : 18th century

Condition : Parfait état

Material : Painted wood

Description

A magnificent double-body cabinet with a writing desk and a small drawer, a small secret compartment on top, and two doors that open to reveal a shallow bookshelf; a small, unobtrusive piece, beautifully crafted with a lovely patina in the 18th-century Louis XVI style, in perfect condition
