Description

Pair of Greyhounds French Art Deco-style sculptor - 20th century Lost-wax bronze Dimensions (cm): Male: height 94 cm, length 106 cm, width 45 cm. Female: height 89 cm, length 96 cm, width 35 cm. Full details (click [HERE](#)) Pair of sculptures depicting greyhounds, likely of the Whippet breed, life-size and of excellent craftsmanship, cast in bronze using the lost-wax method and dating to the early 20th century, inspired by the designs and subjects typically favored during the Art Deco period due to that style's affinity for animal motifs. Sculptures like these are often used as highly decorative elements for interiors, gardens, or terraces. In this case, the artist has skillfully captured the elegance of the two creatures--a male and a female--which are particularly captivating due to their realistic
