Description

The Anthropomorphic Cabinet is a bronze sculpture depicting a stylized human body with built-in drawers, symbolizing the different layers of the unconscious and repressed memories. This piece embodies Salvador Dalí's surrealist style, combining human anatomy with geometric elements to create a form that is both figurative and conceptual. The bronze's patina accentuates the volumes and details, providing depth and visual contrast. H: 20 cm, W: 30 cm, D: 11 cm. Please contact us before ordering to confirm product availability.
