Description

Otto Gutfreund's Cubist sculpture head is a bronze work. This bronze sculpture features a dynamic and emotionally charged Cubist design, with swirling forms and a strong psychological presence. This bronze sculpture, based on Otto Gutfreund's work, is remarkable for its bold exploration of Cubism in three dimensions, capturing movement, abstraction, and identity in an expressive bust. The energetic, almost turbulent forms reflect a radical moment in modern art. Please contact us before ordering to confirm product availability. Dimensions: 34 × 26 × 24 cm Weight: 7.9 kg
