

Louis Sognot (1892-1969) -- Wall Sconce Made Of Bent Rattan And Canvas, Circa 1950

350 EUR

Signature : Louis Sognot

Period : 20th century

Condition : Très bon état

Material : Rattan

Height : 26 cm

Depth : 22 cm

Description

Wall sconce by French designer Louis Sognot, emblematic of the organic modernism of the 1950s. Curved rattan structure forming an elegant, curved handle that supports a lantern/cage. Inner cylindrical shade made of the original ecru fabric, filtering soft, subdued light. Original lamp socket. In very fine original condition.
