Description

Galerie Georgette Vintage is pleased to offer this beautiful Guillaume & Chambron piece, designed as a living room bookcase. This piece is crafted from solid light oak. On the left is a door that opens to reveal storage shelves and is operated by two ceramic handles. On the right are two sliding doors that also open to storage shelves. The lower section features six drawers. This piece also features a decorative niche made of 18 ceramic tiles by Boleslaw Danikowski, as well as a black leather base. This iconic piece from the "Votre Maison" brand is in superb condition and can be completely disassembled and reassembled. A superb, timeless, warm, and highly functional oak cabinet. Come see it in our store in Toucy, 89130.
