

Virgin And Child, 18th Century

800 EUR

Period : 18th century

Condition : Etat d'usage

Material : Painted wood

Width : 25

Height : 57

Description

A polychrome wooden statue depicting the Virgin and Child, probably dating from the 18th century. The Virgin is depicted wearing a crown and holding the Infant Jesus in her arms, typical of religious art from this period; the eyes are made of sulfide. The work shows signs of wear, notably losses in the polychrome paint and damage to the fingers of the Virgin or the Child. It originates from Italy, specifically Veneto.
