Description

Sculpture based on the famous work by Étienne Maurice Falconet (1719-1791) from 1757, titled "La Baigneuse." The figure depicts a young woman checking the water temperature before bathing. The young woman is nearly naked; she is covering herself with a piece of clothing that she will no doubt discard in a moment to plunge into the water. France, Neoclassicism, 19th century. Signed: "Falconet." Height: 41.5 cm. In very good condition. Free shipping within the European Union! I ship packages via insured mail (DPD or DHL). All items are packed very carefully. Payment by international bank transfer. I will provide a certificate of authenticity upon request.
