Description

The marquetry is incredibly delicate! The design featuring musicians showcases meticulous, masterful, and exquisite craftsmanship. The realism of the colors is enhanced by the medallion-shaped background, set against a tapered border. The hallmarks of this craftsmanship reflect the meticulous care taken by the troupe. We are drawn into this delicate dance alongside them, composed of small steps and an interplay of full and empty spaces. The mosaic marquetry work on the frame completes this piece. (46x32cm H:37cm) The trapezoidal leg, with a bamboo-effect finish, tapers to a spindle shape; it is screwed into the tabletop and hooked onto the shelf. The wooden molding, delicate and uniform, enhances this work of art. A precious and rare piece. Delivery available but not
