Description

An elegant long necklace from Guy Laroche, featuring a delicate interlacing of gold-tone pearls and resin pearls in a harmonious palette of blues. Soft and luminous, it stands out for its elegant interplay of volumes, characteristic of 1980s couture jewelry. Thanks to its generous length, it can be worn in various ways--as a single or double wrap--depending on the desired effect. It is signed on its original plaque and features its original screw clasp. In very good condition. Beautiful luster. Length: 92 cm.
