

Solid Silver Pectoral Cross With A Relic Of The Holy Cross (sancta Crucis)

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

Length : 9cm

Width : 5,5cm

Description

A pectoral cross containing a relic of the Holy Cross; there is only one defect to note: one of the balls at the end of the cross needs to be re-soldered; it is currently housed in the reliquary. Sealed with wax and string, which remain intact. (dimensions excluding the eyelet)
