Description

Traditional Japanese Solid Copper Tsuba - Akino Nanakusa (Autumn Flowers) Discover this superb Japanese sword guard (Tsuba) made of solid copper, featuring remarkable high-relief chiseling that captures the poetry of Japanese flora. Sale price, excluding shipping and display stand. Description: This round-shaped Tsuba (Maru-gata) showcases the classic theme of Aki no Nanakusa (The Seven Herbs of Autumn). It features an abundance of chrysanthemums (Kiku) and seasonal flowers in sparkling high relief (Takabori), standing out subtly against a textured geometric mesh background (Ami-ji). The piece features a beautiful, nuanced patina, revealing the richness of the solid copper and preserving, in the central area (Seppa-dai), authentic traces of chisel work (Tagane-ato),
