Description

A stunning and impressive necklace crafted from authentic Mediterranean coral from Sardinia, composed of 37 magnificient beads carefully selected for their quality, luster, and uniform color intensity. The beads feature an elegant gradient, with diameters ranging from 15 mm in the center down to 12 mm toward the clasp, creating a harmonious line with striking visual appeal. The necklace is embellished with a refined 18-karat yellow gold clasp and four elegant gold spacers set with diamonds, which add sparkle without detracting from the extraordinary beauty of the coral. The intense, warm color is characteristic of the finest Mediterranean coral. Total length: 59 cm. Total weight: 148 grams. A rare, elegant, and timeless piece of jewelry, ideal both for everyday wear
