Rolex Yacht-master 169623 In Steel And 18k Gold, White Dial

12 000 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Elegant Rolex Yacht-Master, reference 169623. This 29 mm watch combines stainless steel with 18-karat yellow gold. It features a graduated bidirectional rotating bezel in yellow gold, as well as a two-tone Oyster bracelet in steel and gold, characteristic of this Rolex Rolesor configuration. Its white dial is adorned with gold applied hour markers, luminescent hands, and the red "Yacht-Master" inscription. The date window at 3 o'clock is protected by a sapphire crystal featuring the traditional Cyclops lens. The watch is powered by a Rolex automatic mechanical movement certified as a Superlative Chronometer Officially Certified, displaying hours, minutes, seconds, and the date. It is currently in working condition. It comes with its Rolex presentation box, along with its
