NOTE: All our watches are serviced by our watchmakers to give them a second life and restore them to the best possible condition.

Nevertheless, these watches remain pre-owned and may show some signs of wear. Furthermore, when necessary, the dials are refurbished by a master craftsman. It is also possible that the dials may have been changed in the past by the manufacturers themselves (by Cartier, Rolex, etc. after-sales service) as part of the refurbishment of your watch. We guarantee the authenticity of all our watches. All warranties begin on the date the watch leaves our workshop. As this timepiece is pre-owned, no water resistance guarantee will be provided. We are, of course, at your service to provide you with the best possible information regarding the condition of these watches.

RETURN POLICY: Due to numerous instances of abuse, we wish to clarify that returns are accepted within 14 days only, provided the item is returned in the same condition as when it was sold. Returns are invalid and therefore not accepted once the watch has been worn and damaged in any way (impact, broken or lost crystal, missing screws or any other part, damage due to water, rust, etc.). We remind you that you are purchasing a high-end watch, and we ask that you take the utmost care of it. Dress watches (for example, Cartier watches in vermeil or gold) are precious timepieces and are not designed for sports, swimming, bathing, or any other risky activity. Ref_1174
