Description

The slender, tapered legs with turned sheathed bases complement the wide frame of the cabinet perfectly. The double shelves enhance its harmonious silhouette (H: 20 cm and 38 cm). The original gray marble creates a striking contrast. The flat, frame-shaped molding adds elegance and understated charm. The zinc trays highlight the craftsmanship in the materials (Diameter: 16 cm). The slender drawer blends seamlessly into the decor. This harmony is a perfect tribute to the 18th century, achieved with accuracy, precision, and technical mastery. Delivery available but not included in the price.
