

Silver-plated Metal Shaker In The 18th-century Style

90 EUR

Period : 19th century

Condition : Très bon état

Material : Silver metal

Diameter : 8 cm

Height : 21 cm

Description

A charming baluster-shaped sugar shaker in silver-plated metal, made in the 19th century in the purest 18th-century style. Very lightweight and unhallmarked, it appears to be intended to pass for solid silver. Its distinctly Rococo shape is reminiscent of Belgian craftsmanship. It is in perfect condition.
