

Pair Of 18th-century Angel Heads

700 EUR

Period : 18th century

Condition : Très bon état

Material : Oak

Width : 14 cm

Height : 27 cm

Depth : 7 cm

Description

Two winged angels or cherubs carved from oak; the beautiful antique patina highlights their chubby features and curly hair, while their folded wings may symbolize humility or their role as guardians. Note the distinct expressions in each of their gazes. These were likely originally part of a private chapel.- We're here to answer any questions or provide additional photos - On display in our 400 m² gallery in Lille, open by appointment
