Description

Oval mirror from the Napoleon III period, in the Louis XVI style, made of gilded stuccoed wood. The mirror features garlands of foliage and flowers. In good condition; note the signs of previous restoration. Gilding shows signs of wear; some of the original gold leaf has worn away. The mirror has spots caused by the age of the mercury--a charming sign of its authenticity. It retains its original back panel. Pediment depth: 13 cm; frame depth: 7 cm.
