Surrealist Knights, After Ucello

1 300 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting

Length : 73 cm

Height : 60 cm

Description

An astonishing, fantastical Surrealist work inspired by a detail from Uccello's famous painting "The Battle of San Romano" (see last photo) where two horsemen in armor, wielding lances, can be seen clashing in a strange surrealist composition that borders on the abstract. Oil and sand on canvas with a sand finish monogram (to be discovered) in the lower left corner. Very good condition.
