

Chest Of Drawers In Mottled Mahogany, Louis XVI Period

980 EUR

Period : 18th century

Condition : Bon état

Material : Mahogany

Width : 123

Height : 88

Depth : 57,5

Description

A beautiful and elegant chest of drawers with a central recessed panel, made of mahogany and speckled mahogany veneer, featuring three wide drawers at the front; the side panels are fluted and chamfered, ending in tapered, fluted legs (minor imperfections and routine restoration). Beautiful white Carrara marble top. Parisian work from the late Louis XVI period, circa 1785. Good condition.
