Description

A pair of stucco bas-reliefs depicting female figures from the early 20th century. Italy. The upper sculpture depicts a woman reclining with a dog, while the lower sculpture depicts a woman in the same position holding a piece of fruit and with a basket overflowing with fruit at her feet. The clean, stylized lines, which create a strong compositional harmony, are characteristic of early 20th-century Art Deco. We can see a neoclassical influence in the poses of the two women, who are depicted reclining and semi-nude. Dimensions: height 29 cm, width 52 cm, depth 2 cm
