### Description

Galerie Georgette Art Nouveau presents a pair of Art Nouveau lamps signed by Bernard Bloch. (1836-1909). These are a pair of vases titled "Dragonfly" and "Butterfly," as indicated on the plaques affixed to each vase, which have been converted into lamps with lampshades typical of the Art Nouveau period. The very delicate sculptures of the two female figures are in relief and made of patinated, polychrome plaster. There is some wear due to age, but overall the set is in excellent condition and fully functional, as shown in the photos. Each lamp measures 47 cm; the maker's mark and the serial number for each lamp are engraved. Come discover them at our store in Saint-Étienne-de-Baïgorry, 64430.
