Description

A very beautiful kilim from Fethiye in southwestern Anatolia. Woven with wool over wool. Magnificent plant-based dyes--deep and luminous. The indigo blues are wonderful. Numerous abrash effects can be seen on the surface. From a technical standpoint, abrash creates variations in intensity within a single color, and it also captivates the eye. Circa 1930. Dimensions: 113 x 91 cm. Laurent Beauty of Kilims
