

Athens-style Gilded Bronze Lamp With Cloisonné Enamel

480 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : 40cm

Height : 77/50cm

Description

19th-century electrified kerosene lamp. Resting on a triangular marble base, a lamp bowl is supported by an "Athenian-style" tripod stand. Clog-shaped legs topped with winged victory figures encircling the lamp bowl. The cylindrical shaft is decorated with floral motifs in cloisonné enamel and is topped by a gilded bronze Corinthian capital supporting a glass reservoir engraved with fleur-de-lis motifs enhanced with fine gold gilding in perfect condition. This lamp has been electrified (to current standards), and a slightly conical, white cylindrical shade crowns the lamp. Total height: 77 cm Height of lamp only: 50 cm Base: 14/14/14 cm Diameter: 40 cm
