Description

We are pleased to present this elegant and refined chandelier dating back to the early decades of the 20th century, featuring 20 light bulbs. The design of this chandelier is inspired by the opulent French Empire period. Crafted from an elegant combination of gilded bronze and green Empire-style lacquered metal, the main body features an elongated oval shape that creates a striking visual impact. Sixteen curved outer arms extend from the body, supporting the light bulbs; they are lacquered green with gilded bronze tips. Below, a satin-finished glass shade encloses the base and covers four additional inner light bulbs. The perimeter of the body is adorned with rich, finely chiseled bronze decorations featuring palmette motifs. The upper vertical stem alternates between green-lacquered sections and

decorative elements in gilded bronze. The chandelier is equipped with a new electrical system. If necessary, we can adapt the light socket to your destination country, but please contact us and let us know before placing your order. This sumptuous chandelier exudes timeless classic elegance, capable of enhancing both modern and classic interiors. It will be admired by your guests in any room of the house, whether it's a grand entryway, a dining room, or a study. Wherever you decide to place it, it will become the focal point of the room. The chandelier is in excellent condition with minimal signs of wear consistent with its age. We can ship worldwide; please contact us for a personalized quote, providing your ZIP code and destination city.
