Description

A beautiful boomerang-shaped teak desk designed by Göran Strand for Lelångs Möbelfabrik (Sweden) in the 1960s. This double-sided desk features three drawers on the front and a bar compartment at the rear, enclosed by a drop-down door. Its V-shaped legs give it an elegant silhouette characteristic of Scandinavian design from that era. In very good condition; fully restored. Height: 73 cm. Max dimensions: 136 x 81 cm.
