Description

Michele Cortegiani (artist) "Little Fishermen Among the Rocks" -In this painting depicting the Mediterranean coast, Cortegiani, a talented student of Master Francesco Lo Jacono, creates a masterpiece--perhaps commissioned by a Neapolitan client--as he modifies his master's painting, and instead of depicting his own Monte Pellegrino in the background, he paints Capri in the distance. (Palermo 1857-1928, oil on canvas, 80x 140 cm)
