Description

A large black-and-gold lacquer panel from the late 19th or very early 20th century depicting a scene of life in a Chinese palace--perhaps the Imperial Palace--where numerous richly dressed figures move among pavilions, gardens, bamboo, palm trees, and scholars' rocks. A boat can even be seen on a river. The lacquer is of very high quality, with a thickness that lends depth to this lively scene. Brass mounting hardware. A few very small, barely visible chips and slight scuffs. Dimensions: 97 cm x 62 cm. Shipping cost to France via Colissimo Registered Mail with insurance and excellent packaging: 40 EUR.
