### Description

A set of 10 large Renaissance-style champagne glasses, adorned with carved decoration and an SL monogram engraved and gilded with fine gold. This is a variation of the famous Cluny set, presented here in its plain form, personalized for an aristocratic family. Dated to the late 19th century. A beautiful, luxury piece that reflects the lifestyle of high society during the Belle Époque. The large size also makes these glasses ideal for serving ice cream. Our bowls are two additional pieces from an 8-piece set of this model, which will be offered for sale at a later date. Our bowls are in excellent condition: crystal-clear with no white deposits, no chips or cracks, and beautiful gilding with no wear. Nearly 150 years old and still in like-new condition. Height: 10 cm Diameter:

11 cm
